

# Welcome!

**Mountain Air Drive Extension**  
**Project # CFHWY00710 / Federal # 0001690**

**Open House #3**  
Monday, April 20, 2026 6:30 pm - 8:00 pm

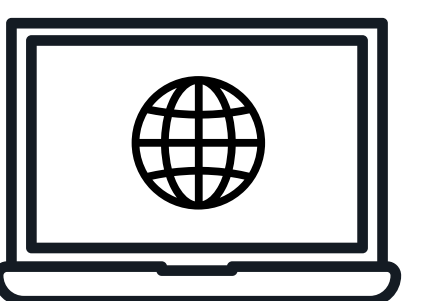

## Introduction

The Mountain Air Drive Extension project will provide secondary emergency access to the project area with the added benefit of improving motorized and active transportation needs along the project corridor.

## How to Participate

- 1** Sign in and receive a Project Fact Sheet.
- 2** Learn more about the project, ask questions, and talk with the project team.
- 3** View updates and download project documents on the project website at:  
**mountainairdrive.com**
- 4** Stay involved! Scan the QR code to join the project email list.

# Mountain Air Drive Extension

Project # CFHWY00710 / Federal # 0001690

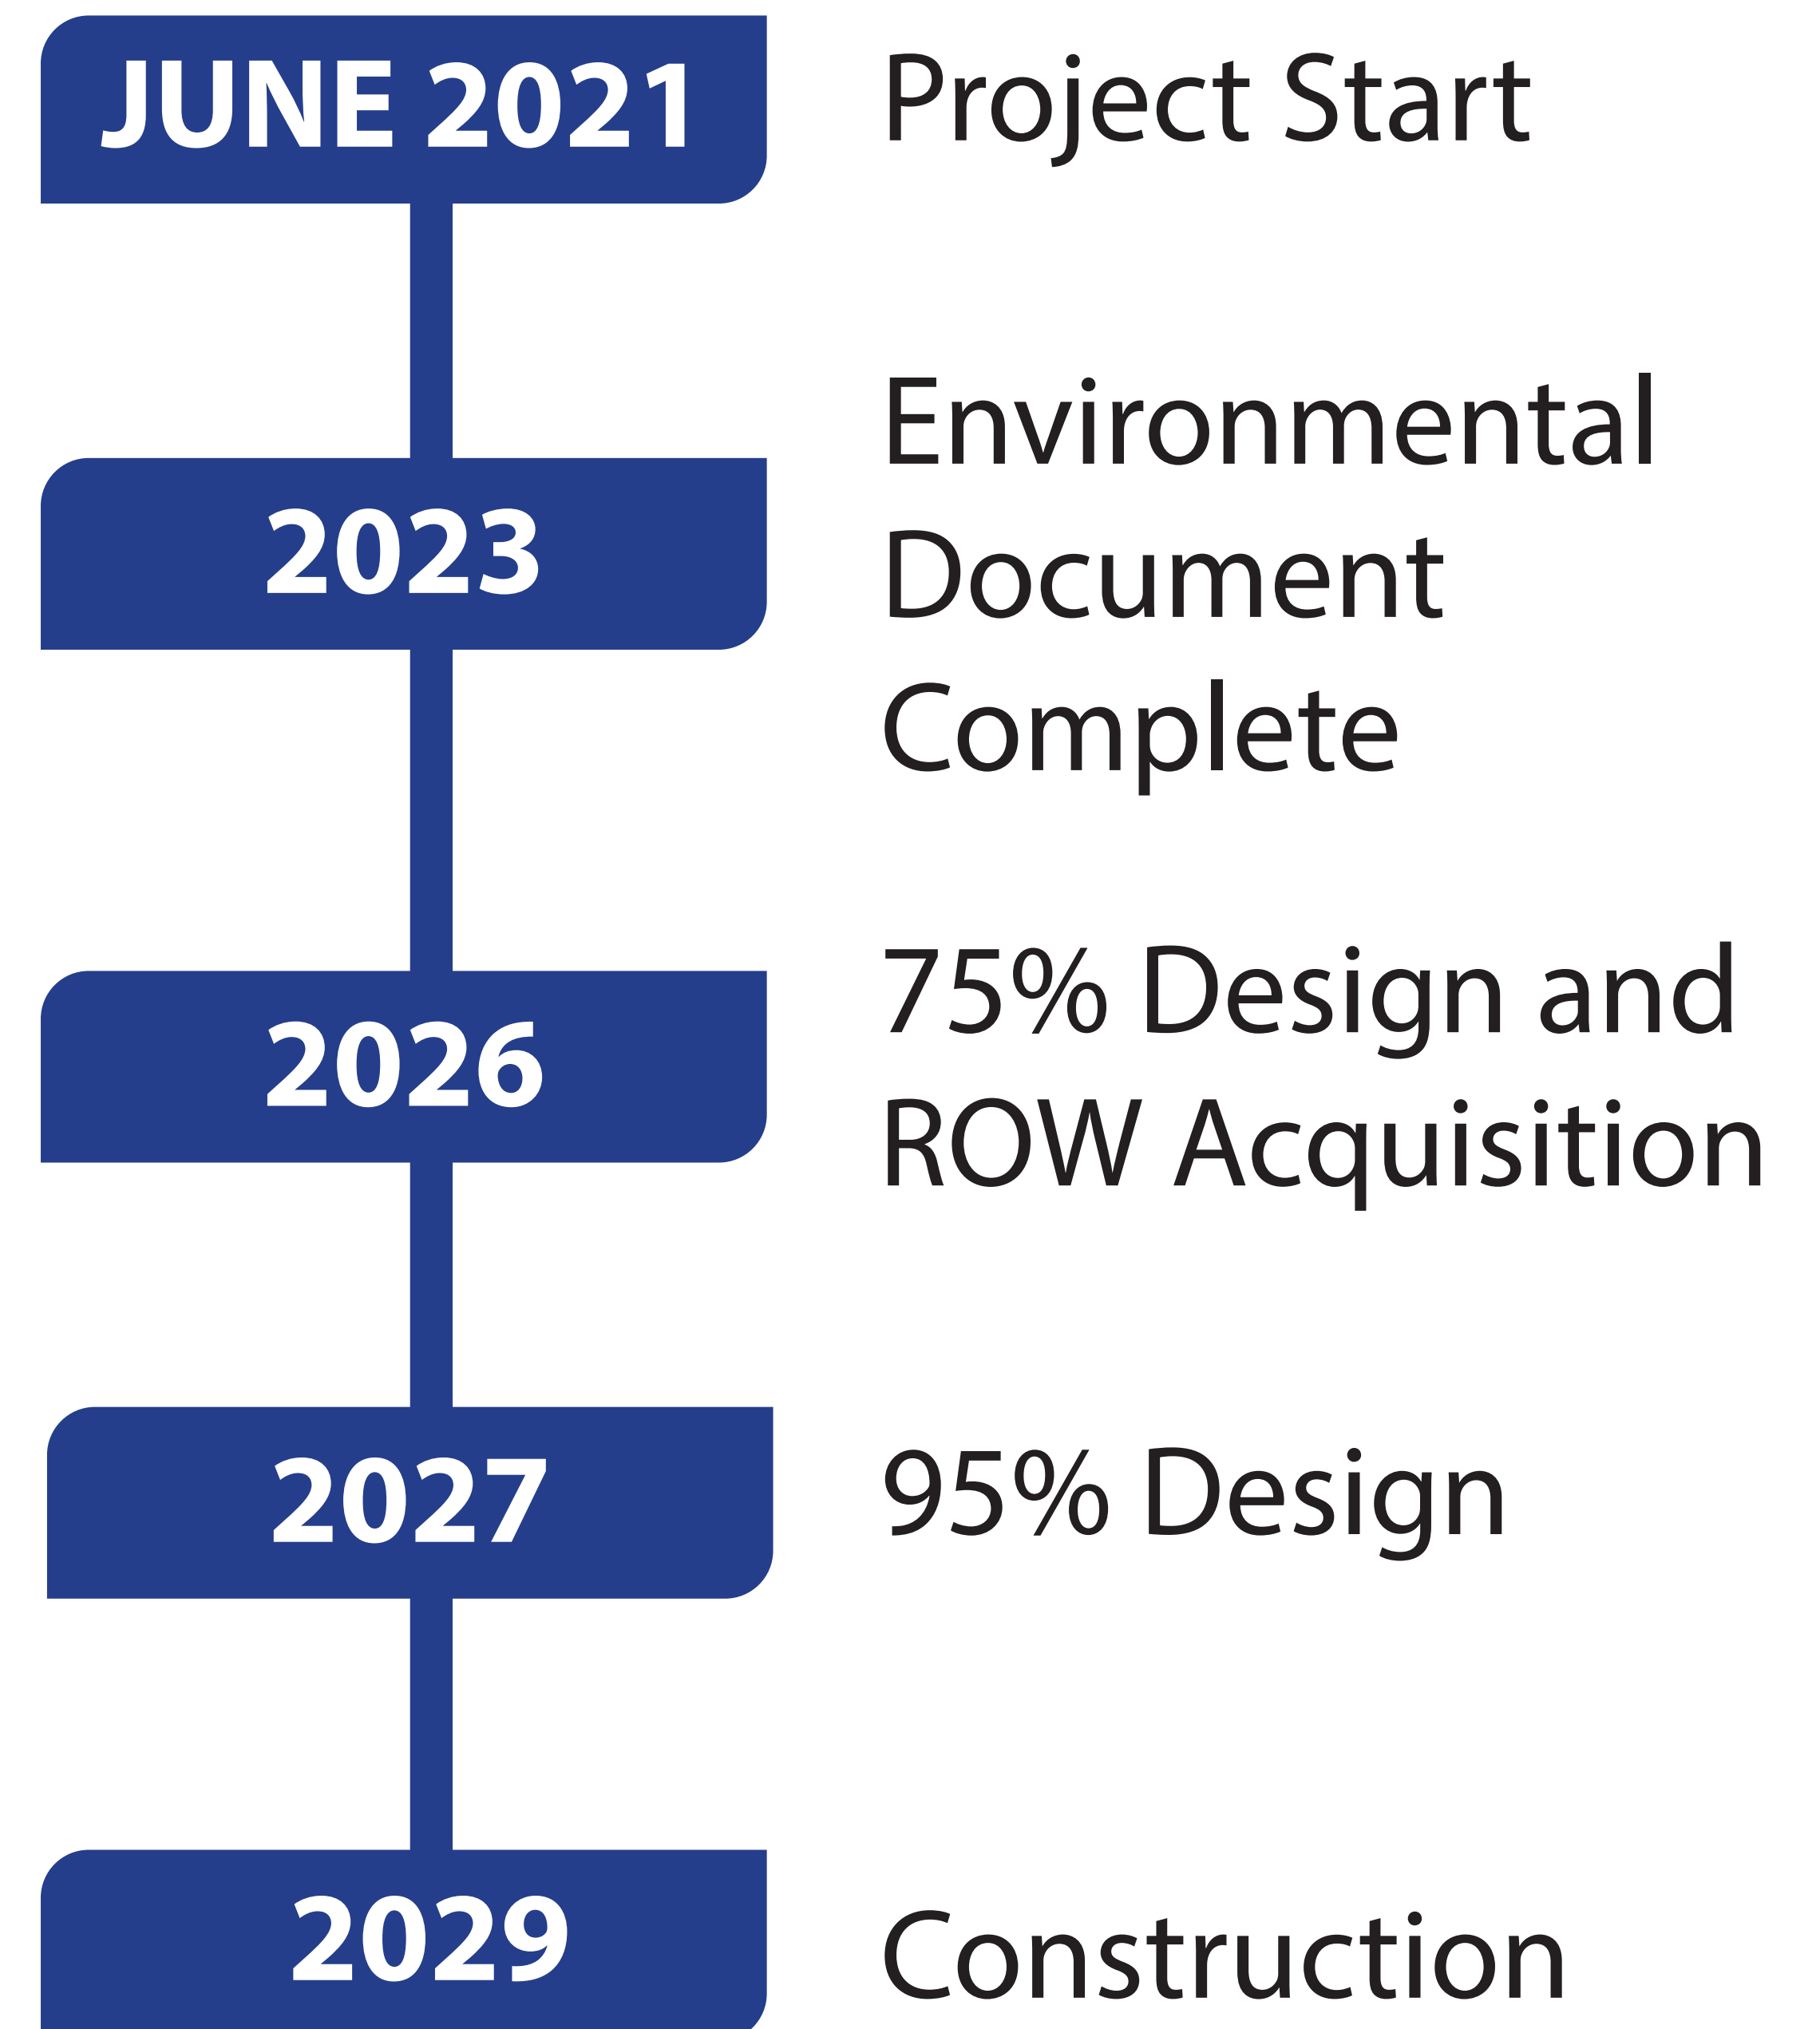

## Project Summary

The Mountain Air Drive Extension Project will extend Mountain Air Drive from Rabbit Creek Road to Sandpiper Drive.

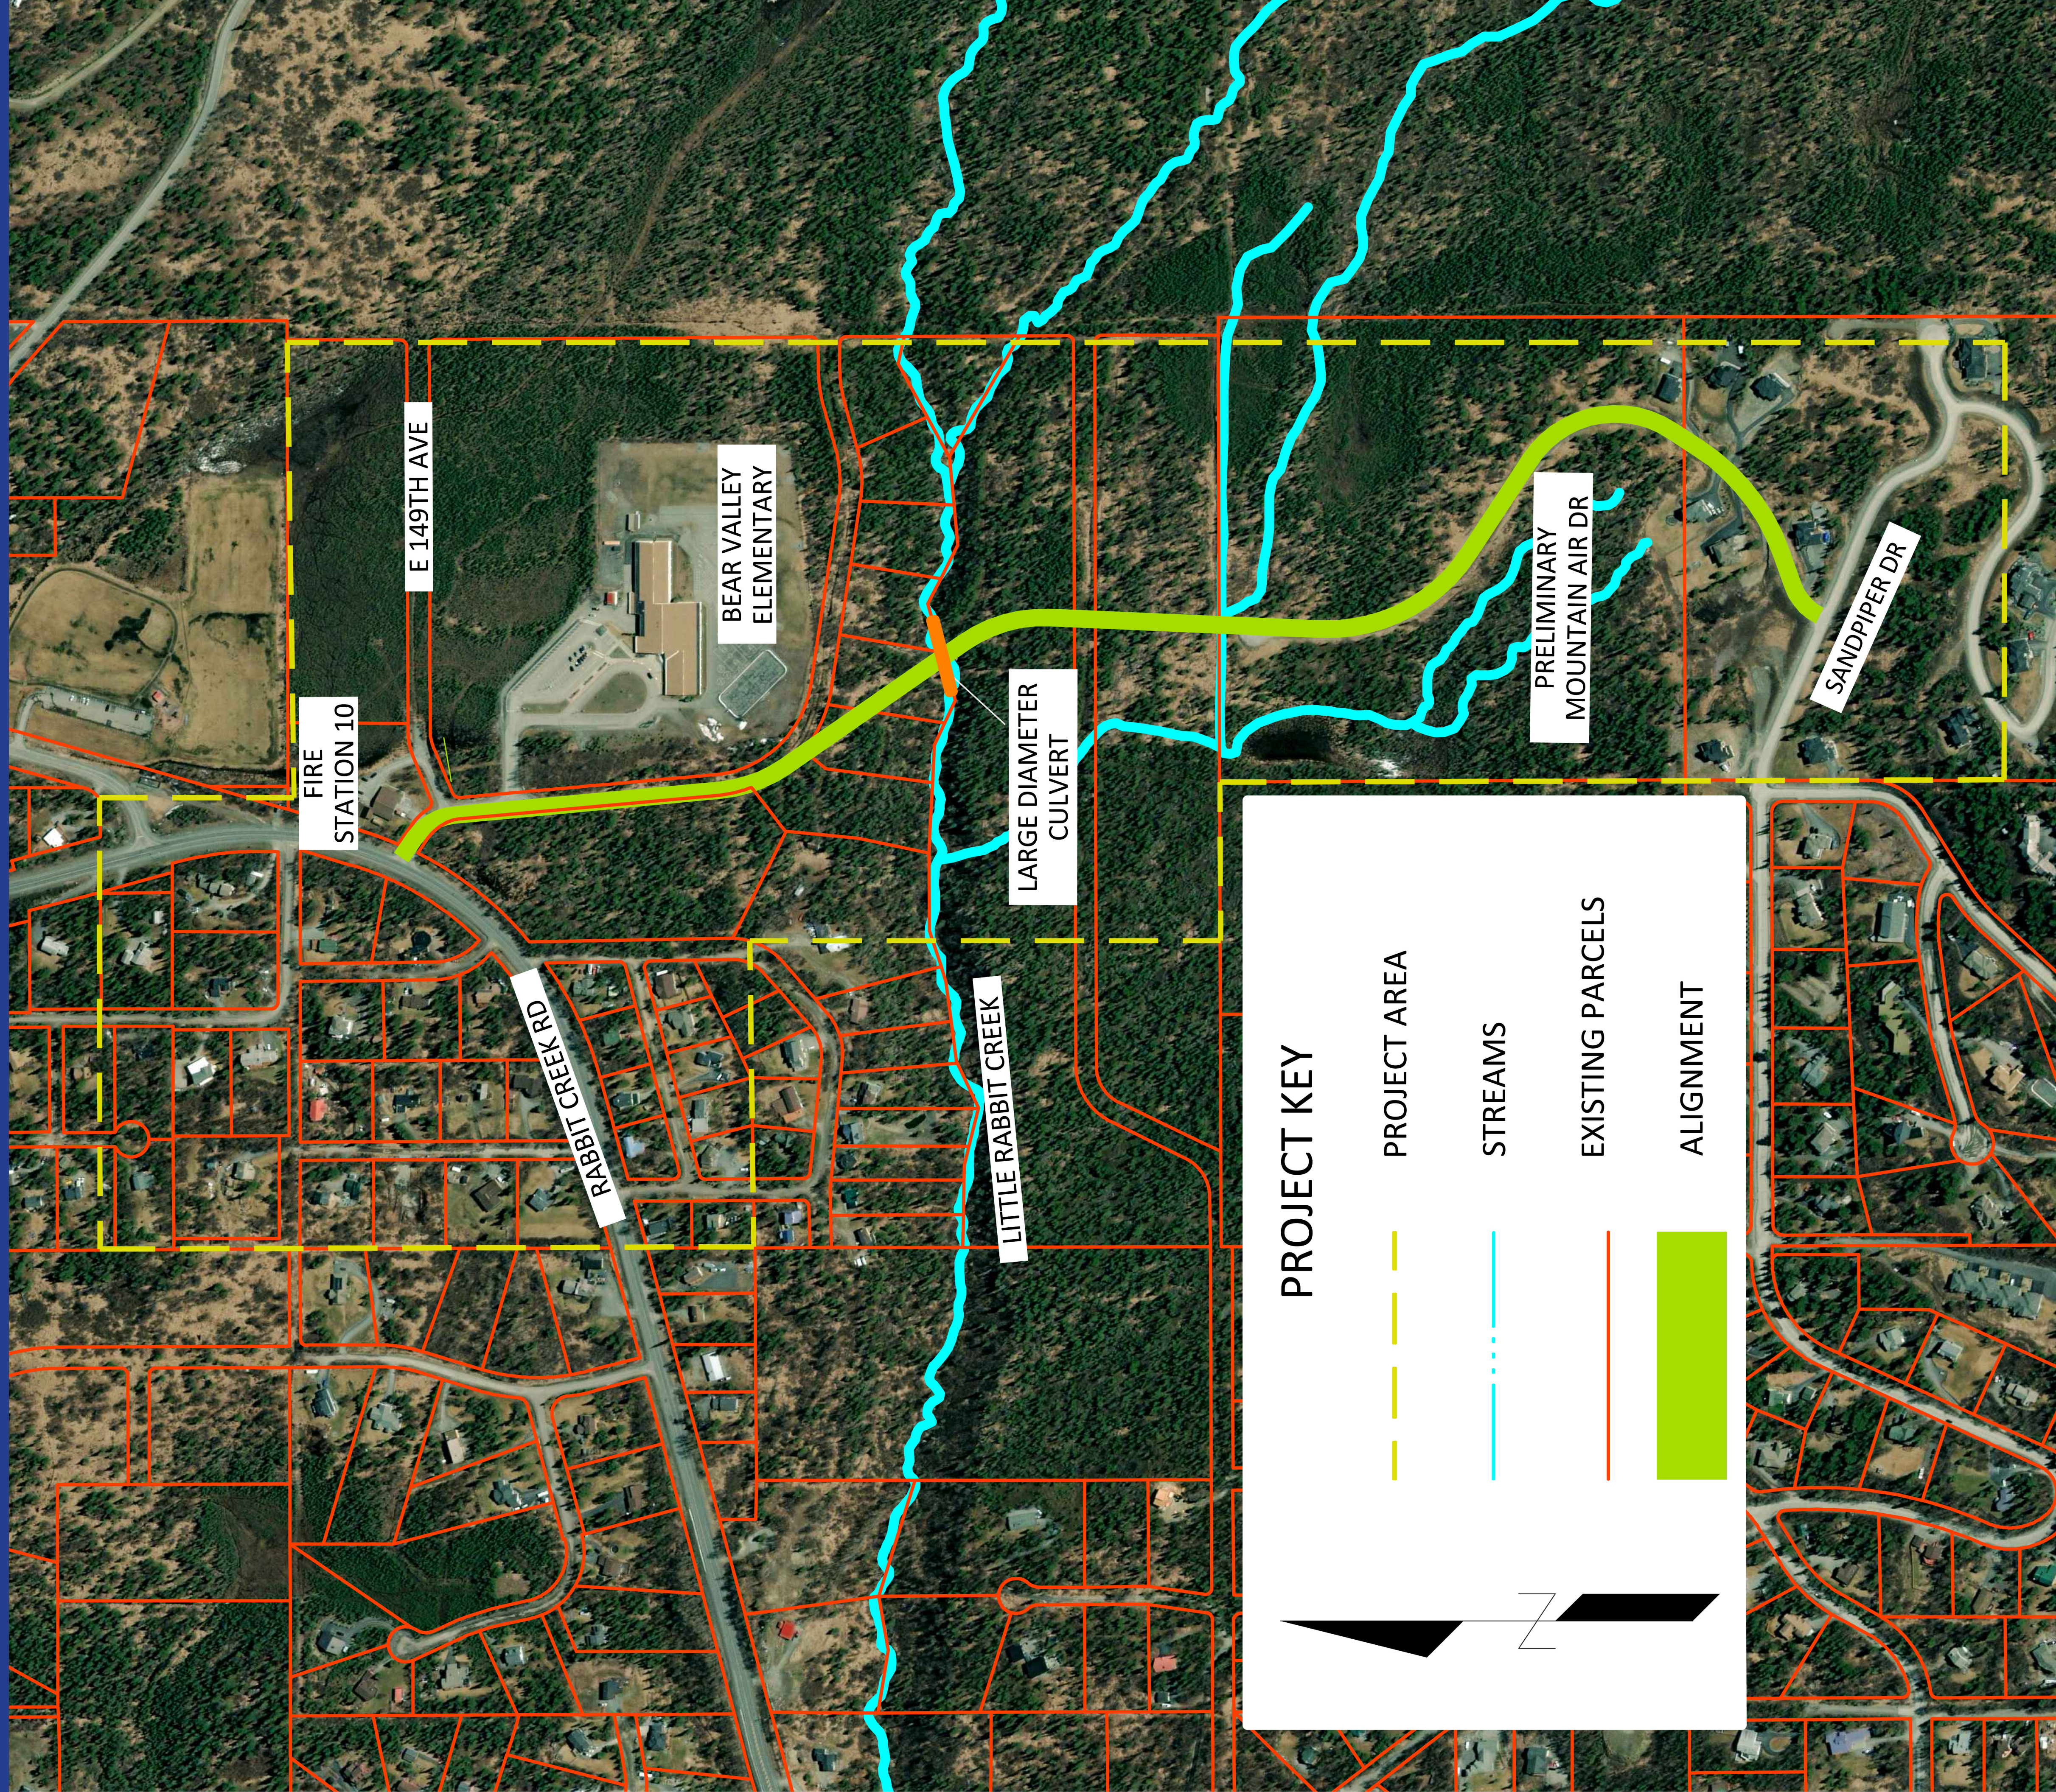

The project may include:

- drainage improvements
- right-of-way acquisitions
- utilities
- large diameter culvert crossing at Little Rabbit Creek
- Americans with Disabilities Act improvements
- roadside hardware
- and a multi-use non-motorized pathway
